 - Maintain satisfactory academic progress
 - Not be in default on a federal educational loan
 - Not owe a refund on a federal educational grant

2. Cost of Attendance includes direct costs (tuition, fees, books and supplies) and indirect costs (transportation, personal expenses, and room and board).
3. Aid may not exceed unmet cost (cost minus aid per academic year).
4. To best determine your eligibility, it is important that you inform a Student Support Advisor of recent changes to your family's financial situation (loss of job or income, change in marital status, death of a family member, etc.) in writing, with as much detail as possible.

TYPES OF GRANTS AND SCHOLARSHIPS*

Grants and scholarships are aid provided by DeVry, federal or state governments, or other outside sources that usually does not need to be repaid. There are criteria you must meet in order to qualify, depending on the program.

FEDERAL PELL GRANTS

These are grants for undergraduate students (who have not earned a prior bachelor's degree). The actual amount of the grant is based on the cost of attendance, number of hours enrolled, Federal Pell Grant regulations and your EFC.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS [FSEOG]

These are grants for undergraduate students (who have not earned a prior bachelor's degree) with exceptional need. The federal government provides the school with a limited pool of money. When the funds are exhausted, no more funds are awarded for the year.

OUTSIDE SCHOLARSHIPS

Many outside scholarships are available from various sources. For more information on outside scholarships, visit DeVry's website at www.devry.edu/financial-aid-tuition/scholarships/outside-scholarships.jsp.

*For institutional and state grants, funds are limited. For priority deadlines, please contact your Student Support Advisor.

ADDITIONAL RESOURCES*

STATE-FUNDED PROGRAMS

Some states have grant or scholarship programs that provide funding to undergraduate students based on financial need or academic qualifications. Recipients are typically required to:

- Attend a location within their state of legal residence
- Provide proof of residency
- Complete a FAFSA®

DeVry currently participates in state-funded programs in several states. Speak to a Student Support Advisor to discuss your eligibility for programs in your state.

FEDERAL WORK-STUDY (FWS)

This program provides part-time work for students on or off campus. Wages are paid directly to the student through a combination of federal and institutional or agency funds.

EMPLOYER TUITION ASSISTANCE

A number of students receive tuition reimbursement from their employers. For students whose companies finance their education, a direct billing arrangement between the employer and DeVry may be possible.

VETERANS AND MILITARY BENEFITS

Students may be eligible for Veterans Affairs benefits and/or tuition assistance based on their prior or current military service. Active-duty military students may be eligible for tuition assistance through their branch of service or stationed base. For more information, contact the Department of Veteran's Affairs, or your education counselor or Education Service Officer.

PUT YOUR JOB TO WORK FOR YOU

If you are going back to school while working, ask your employer about tuition reimbursement. DeVry University offers several payment plans that make it easy to get help from your employer to offset your college tuition costs. We even offer career assistance while you are enrolled at DeVry University to help defray your costs. Visit Student Services at your DeVry University location for more information.

*For institutional and state grants, funds are limited. For priority deadlines, please contact your Student Support Advisor.

PAYMENT PLANS

Payment plans are available for those who wish to defer payment(s). Those wishing to take advantage of deferred payment(s) must submit a completed payment plan agreement. Students may choose one of the payment options outlined below.

STANDARD PLAN

The Standard Plan, which helps students pay for tuition, books and required electronic materials, provides a monthly payment plan that is developed using students' expected enrollment and financial assistance funding.

DEFERRED PLAN

Available to students using employer tuition reimbursement, and whose employers submit a tuition-reimbursement statement on students' behalf, the Deferred Plan enables tuition charges to be deferred until Thursday of week five of the subsequent session.

DIRECT BILL PLAN

Available to students for whom an employer or third party will be paying DeVry directly for tuition and fees, the Direct Bill Plan allows the employer or third party to delay full payment of tuition and fees until Friday of week seven of the subsequent session.

TYPES OF EDUCATIONAL LOANS

Loans are forms of financial assistance that must be repaid (either by the student or the parent for Parent PLUS loans). Remember to exercise responsible borrowing and only borrow what you need for your educational expenses. Look for ways to increase your income, decrease your expenses or both and speak with your Student Support Advisor to identify non-loan sources of financial assistance before utilizing loans.

FEDERAL DIRECT LOANS

Federal Direct Subsidized Loans are available to undergraduate students with financial need, while Federal Direct Unsubsidized Loans are available to undergraduate and graduate students with no requirement to demonstrate financial need.

The government pays the interest on Direct subsidized loans while the student is enrolled at least half time. For Direct Unsubsidized Loans the student is responsible for paying the interest while in school, however the student may defer paying interest by capitalizing it, which adds it to the principal of the loan. Effective July 1, 2013, the interest rate of Direct Loans disbursed during an award year will be set according to the 10-year Treasury note, plus a set percentage. For current interest rate information please visit www.studentaid.ed.gov

Students who graduate, leave school or enroll less than half time per semester have a six-month grace period before repayment begins. Maximum combined (Subsidized and Unsubsidized) Direct Loan amounts are:

	Federal Maximum		
	Semester	Academic Year	Aggregate
Undergraduate Independent Student*			
Freshman	\$4,750	\$9,500	\$57,500
Sophomore	\$5,250	\$10,500	
Junior or Senior	\$6,250	\$12,500	
Undergraduate Dependent Student			
Freshman	\$2,750	\$5,500	\$31,000
Sophomore	\$3,250	\$6,500	
Junior or Senior	\$3,750	\$7,500	
Graduate Student			
All	\$10,250	\$20,500	\$138,500

*And dependent students whose parents are unable to borrow a PLUS loan

FEDERAL PLUS LOANS

Federal Parent PLUS loans are available to parents of dependent undergraduate students while Federal Graduate PLUS loans are available to graduate students. Effective July 1, 2013, the interest rate of Direct Loans disbursed during an award year will be set according to the 10-year Treasury note, plus a set percentage. For current interest rate information please visit www.studentaid.ed.gov.

Federal PLUS loans require a credit check of the borrower to establish creditworthiness, and the student or parent may borrow up to a maximum of unmet costs (cost of attendance) minus aid per academic year.

PRIVATE LOANS

These are loans provided by outside resources such as banks or credit unions. Visit www.devry.edu for more information.
